Commissioner for Patents

Applicant is advised that the most recent Office action (not yet mailed as of this writing but currently in the mail queue) referred to an English translation of a Chinese patent publication. Incorrect publication number was used and a copy of the translation was not provided. This communication is to complete the record by providing the correct citation and copy of the translation.

The correct document number is CN 1353194 and it is now listed on the attached PTO-892 with a copy provided herewith.

Applicant is advised to abide by the Period for Reply that will have been set forth in the full Office action (not yet mailed as of this writing, as mentioned above). This miscellaneous communication has no effect on the Period for Reply set forth in said Office action.

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to JOHN PAK whose telephone number is **(571)272-0620**. The Examiner can normally be reached on Monday to Friday from 8 AM to 4:30 PM. If attempts to reach the Examiner by telephone are unsuccessful, the Examiner's SPE, Johann Richter, can be reached on **(571)272-0646**. The fax phone number for the organization where this application or proceeding is assigned is **(571)273-8300**. Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is **(571)272-1600**. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
